- 1. Poverty in the EU: a reminder**
 - 2. What is EAPN?**
 - 3. What we do**
 - 4. The European Year for combating Poverty and Social Exclusion**

1. Background: poverty in the EU

Poverty in the EU (1)

-
- 79 million Europeans (16%)
 - 10-12 % in CZ, NL, SE, AU, HU, SLOV
 - 19-21% in RO, UK, GR, PT, SP, LV)
 - But strong differences across countries:
 - LIT, LV, PL: 1966 -2101€/year
 - UK, IRL, DK, LUX: 12,572 -17,929 €/year

Poverty in the EU (2)

-
- 19% of children, 20% older people, 20% of 18-24
 - In single households with children, the majority of which are headed by women, the poverty rate is estimated at 33% (*Gender inequalities in the risks of poverty and social exclusion for disadvantaged groups in thirty European countries European Commission 2006*)
 - 8% of working population are poor
 - Lack of strong progress in poverty eradication over last decade
 - Increase in income inequality (between top and bottom 20%), from 4.5 to 4.8% from 2000 to 2007

Poverty in the EU (3)

Not only % but also **material deprivation**

For example:

- 4% (more than **19 million** people) in Europe lack an indoor flushing toilet for sole use of the household.

- 18% of people in Europe live in housing that has significant problems with damp.

2. What is EAPN?

What is EAPN?

■ EAPN is an independent coalition of NGOs and groups involved in the fight against poverty

- **25 national networks** of anti-poverty NGOs and grassroots groups (in the EU, Norway)
- **European-wide organisations** mainly active in the field of poverty and social exclusion (e.g. Caritas Europa, ATD Quart Monde...)

3. What we do

Aim and objectives

To empower people and communities facing poverty and social exclusion to access their rights, to enable them to overcome their isolation and counter their social exclusion

- Put the fight against poverty and social exclusion high on the political agenda of the European Union
- Promote and enhance the effectiveness of actions against poverty
- Lobby for and with people and groups facing poverty and exclusion
