## LDA Youth Programme: Partnership Portal and Partnership Event: 28<sup>th</sup> April

As many of you will be aware, the LDA Youth Programme has now launched, details of the bidding round can be found either here:

[http://www.lvstc.org.uk/esf/esf\\_lda.php](http://www.lvstc.org.uk/esf/esf_lda.php) or here:

<http://www.lda.gov.uk/server.php?show=ConWebDoc.3113>

The new programme has stressed the importance of collaborative and partnership working as the projects are of some considerable size and the LDA does not anticipate any one organisation being able to offer all the services required, resulting in the need for well organised and sustainable partnerships and consortia.

So, LVSTC are launching a new Partnership Portal for the LDA Youth Programme in order to facilitate this partnership building. **Any organisations who are interested in entering into any kind of partnership around this round may well find it in their interest to also register on Compete4 before 8<sup>th</sup> May.**

### Partnership Portal

Our Partnership Portals offer an essential system whereby organisations from all sectors can target prospective providers, ensuring closer cooperation, greater reach and improved cross sector involvement.

To register on the Partnership Portal, you simply need to complete this quick and easy form online: [http://www.lvstc.org.uk/partnership\\_portal.php](http://www.lvstc.org.uk/partnership_portal.php)

The Portal will be updated regularly, so do check back to see the new additions as the round progresses.

NB If you have previously registered on an LVSTC Partnership Portal, you will still need to register again for this one, as it does contain questions specific to this funding round.

### Partnership Event

The LDA in collaboration with LVSTC will be holding a Partnership event for Specifications 2-6 on **Tuesday 28 April 2009, at the Crystal Room, The May Fair Hotel, Stratton Street, London W1J 8LT**. This event will provide a unique opportunity to meet a wide range of organisations interested in bidding

for funding through the LDA ESF Youth programme.

Potential organisations which are considering taking a lead role in a partnership or consortium will be attending the events to seek delivery partners. Do come along and make the most of the opportunities.

Registration for the event is incorporated into the Portal registration form as the information for the Portal is used on the day of the event to help facilitate the networking. Book a place now at [http://www.lvstc.org.uk/partnership\\_portal.php](http://www.lvstc.org.uk/partnership_portal.php) or contact Geoff Robinson on [geoffr@lvstc.org.uk](mailto:geoffr@lvstc.org.uk) or 020 7538 4309.

#### Partnership Event for Specification 1

The Partnership Event for Specification 1 is happening earlier, on Thursday 23<sup>rd</sup> April at the LDA, to reflect the tighter timetable for that specification, and is being run solely by the LDA. To book a place, visit <http://www.lda.gov.uk/server.php?show=ConWebDoc.3179>
