to promote Social Inclusion

October 2011

Still plenty of time to make an application for a Community Grant

There is still over two weeks to make an application to the Community Grants programme and our next set of events are open to any group from any of the five boroughs in this funding round – **Croydon, Enfield, Lambeth, Southwark and Tower Hamlets** – to provide additional help with any aspect of the financial side of the application.

We are also opening our offices for groups who wish to bring in their final application packs to be checked over before submitting them to London Councils, to ensure that all the necessary pieces of evidence are present and correct any final areas for improvement.
