SOFT OUTCOME

- Increase in awareness of rights and entitlement to welfare benefits.
- Increase in communication and interpersonal skill i.e. beneficiary elected as a committee member of NHS Direct.
- Three self employment outputs were achieved by beneficiaries.

Project Biggest Challenges

- ❑ Partnership arrangement
- ❑ Recruitment of DEA
- ❑ Welfare benefit trap
- ❑ Employers attitudes to disabled people
- ❑ Beneficiaries proof of identity

Future Development Plan

- Transform Disability Hackney into a Centre for Independent Living in order to improve the life chances of disabled people.
- Independent living:- assist disabled people to live independently at home, work and in the community.
- Support parents of disabled children in early years.
- Improving the employment prospects of disabled people through ongoing personalised support.
